

# TOMER ROZENBERG

## UX DESIGNER

UX/UI Designer shifted from the world of education, with 8 years of experience in teaching, staff training, and management. Possesses strong skills in communication, problem-solving, researching, and creating a human-centered design. Passionate about philosophy, people, and arts. Being fluent in 3 languages and having lived in 4 different countries I'm adaptable, and love collaborating within cross-functional teams to problem solve and develop solutions that benefit diverse users and businesses.
